

# Star Rated Window ACs

Good Looks. Great Performance.

Blue Star presents its star rated range of Window ACs for your home. Merging the benefits of superior cooling, energy saving performance and aesthetic looks, these ACs are ideal for meeting your home cooling needs. Coming from India's leading central airconditioning and commercial refrigeration company, you are assured of the very best.

These Window ACs boast of a reliable and accurate electronic thermostat, fuzzy logic control that adjusts performance automatically and a low energy consuming compressor, besides other features. Built using dependable components, these ACs come bundled with excellent after-sales support from the Blue Star team of technicians. What else could you expect from the Experts in cooling?

## Features

### Great Looks

Sleek curved front grille

### Long Life

Longer life due to pure polyester powder coating and galvanised steel

### 3-Speed Cooling

High, Medium and Low to suit your comfort level

### 4-Way Air Distribution

Ensures uniform cooling

### Clean Filter Reminder

LED illuminates when the filter needs cleaning

### Power Saver Compressor

Saves 10-15% on your power bills

### Advanced Fan Motor

Better performance that results in less breakdowns

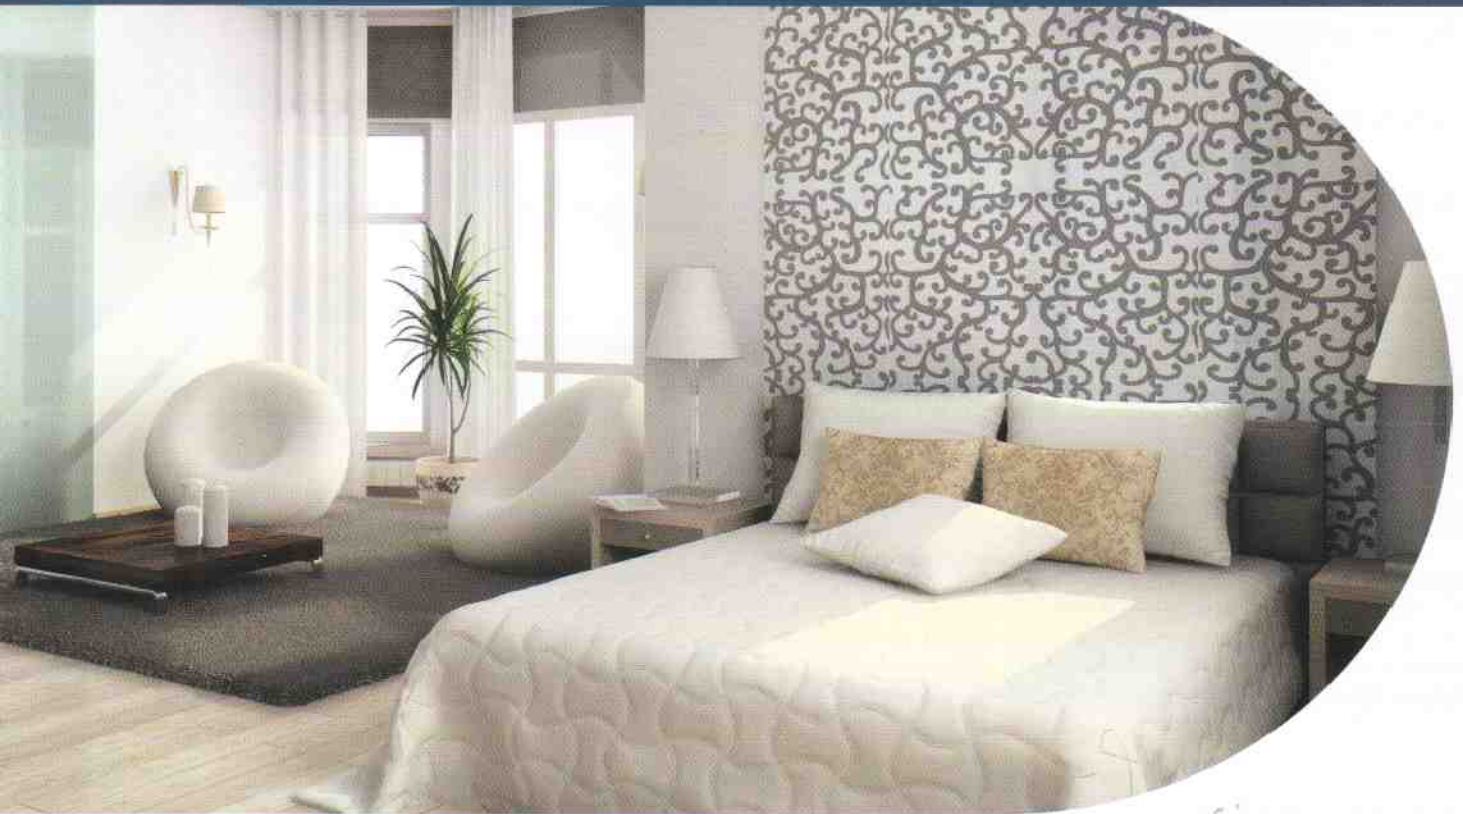

### Inner Grooved Condenser

Enhanced cooling due to enhanced heat transfer; essential for tough Indian conditions. The condenser also comes with blue-fin coated coils for anti-corrosion protection.

### Slide In/Slide Out Filter

The easy-to-remove filter enables easy cleaning

### Fuzzy Logic

Automatically adjusts its performance depending on the room temperature and heat generated

### Digital Display

Bright and easy-to-read display for exact temperature setting

### Electronic Thermostat

Ensures precision cooling

### Programmable Timer

Can be set to switch on/off at a desired time

### Memory Backup

Retains settings even after a power interruption

### Sleep Mode

Auto operation for uninterrupted sleep

### Quick Start

For instant cooling

### Temperature Mode

Allows switching the temperature setting between °C and °F

The **Energy Saver button** switches your AC to a power saving mode, thereby reducing your electricity bills further.

The **Light button** switches the lights on the remote & display of the AC off (or on) to avoid glare at night.

## Technical Specifications

Models	Star Rating	Cooling Capacity*		Power Data		Dimensions			Net Weight		Rating
		Tons	Watts	Watts	W/W	Width	Depth	Height	(Approx.)	Stabiliser	MCB
2WAE-121YA	2 Star	1.0	3475	1380	2.52	618	560	375	45	3	10
2WAE-181YA	2 Star	1.5	4765	1870	2.55	660	700	428	62	4	16

\* Based on standard test conditions. All units are fitted with high efficiency Rotary Compressors. Specifications, features and colours are subject to change without any notice, due to continuous product development. Power supply requirement for all models: 230 Volts, 50 Hz, Single phase.
